

## Product Specification Sheet

### PORT 3.1 15" Commuter Laptop Case

Part #: PR300

#### Product Description:

Visit our [PORT 3.1 Series](#) section for an in-depth look at this line of cases

The Port 3.1 Commuter Case is designed to fit notebooks with up to 15" screens. The patented SafePORT Air Cushion System surrounds your notebook with protection. The toploading design provides easy access to the notebook compartment while on the go. This case includes a retractable airline ticket holder and passport/ID sleeve, 8 CD/DVD sleeves in the workstation, 2 file sections, removable accessory pouch and a retractable light to illuminate the workstation compartment. The rugged ballistic nylon material makes this a durable case for the avid traveler.
